FREQUENTLY ASKED QUESTIONS & APPLICATION PROCEDURES

Deadlines & Late Fees

All applications must be received by CSW or be postmarked no later than **5:00 p.m., May 10, 2007** or delivered to our offices by 5:00 p.m. that day. A \$100.00 late charge will be assessed to ALL applications postmarked after this.

Payments

All applications must include payment to be qualified for submission and parade entry. Business checks, cashiers check or money order only; **NO personal checks or cash accepted**. Proof of non-profit status must be included with application to qualify for non-profit rates.

Confirmation of Entry

Receipt of application and fees does **NOT** necessarily confirm any entry. CSW reserves the right to refuse the entry of any individual or entity that, in CSW's opinion, does not reflect the celebration intended by the parade, or the purpose or goals of the Lesbian, Gay, Bisexual and Transgender Community in general. All CSW parade entry confirmations **will be mailed out May 31, 2007**.

Placement in Parade

CSW staff and volunteers do their best to accommodate all requests for special placement in the parade. Unfortunately, it is impossible to meet all requests. We will do our best to meet your request.

Throwing / handing items into the crowd

We know that many of you wish to give away items to parade viewers. Unfortunately, this encourages crowds to come onto the parade route causing a very dangerous situation. Drivers of motorized vehicles, horse carriages, or horse riders cannot see people who run in front of or along side their vehicles/animals and could accidentally run someone over. This is very serious. **Other parades have had deaths due to this very situation – someone running up to a vehicle, tripping, and the driver not seeing them and running over the individual.** As we get more and more viewers who bring children – who are even harder to see when they run in front or beside a vehicle – we **NEED** your help enforcing this regulation. To avoid this dangerous situation, we require that you **do not throw** anything from your unit or in any way encourage viewers to come onto the parade route. What you can do is have volunteers walk along side the sidewalks as your entry goes by and hand things to people – do not encourage them to come onto the street in any way.

Performances in the parade

As much as CSW encourages its parade entrants to be as creative as possible, we must request that any performances that require your entry to stop or slow down **must only be performed at the designated area** to be provided to you in your confirmation package. **Your performance is limited to a maximum of 1 minute.** In the past, entrants have caused delays and gaps of as much as twenty minutes due to the duration and number of performances. This causes the crowds to come onto the parade route and creates a serious safety concern. **If you violate this regulation, you will be pulled from the parade.**

Safety & Décor Workshops

To ensure the safety and enjoyment of each entry and all viewers, we require that a minimum of one, and preferably two or more, representatives from each parade entry attend a safety workshop.

Please discourage your participants from consuming any alcohol or drugs prior to or during the parade.

As a major parade with television coverage, all units are reminded of the responsibility that goes along with this presentation. All entries should reflect the theme and/or purpose of the parade.

_____ **Nudity & Obscenity** -- Nudity & obscenity will not be permitted as defined by California State Code, title 17.04.480. Any unit, or the participants thereon, not in compliance will be removed from the parade route, be subject to intervention by law enforcement officials and/or forfeit their chances to participate in future parades.

_____ **Signs & Banners** – In order to better facilitate parade announcements and TV coverage, a sign or banner providing the name of the organization/business must precede each entry participating in the parade or the entry should have the name prominently displayed on their vehicle. The parade position number presented during check in must be attached to your banner or vehicle window or carried by your designated parade liaison, whichever is most visible to announcers and video cameras.

_____ **Marching Together** – Groups desiring to march with other groups must make this known on this application when submitted. All requests for such arrangements will be met to the best of our ability but are not guaranteed. DESIGNATED PARADE WHEEL WALKERS /UNIT LIAISONS

Group/Unit Name: _____

In order to reduce gaps between entries during the parade, maintain an appropriate and safe pace, and ensure an entertaining parade for all of our participants, **All Parade units are required to provide designated parade unit wheel walkers/unit liaisons.**

Wheel Walkers/ Liaisons are asked to:

- Walk on either side of every moving vehicle, next to the wheels, to ensure that the area in front of their unit is clear of any pedestrians or other units.
- Maintain the movement and pacing in the parade of all vehicles and marchers belonging to their unit, maintaining a distance approximately 20 feet from the unit ahead of them;
- May carry their unit designation number, depending upon the type of unit they are a part of, so that announcers can readily identify your unit and ensure that they have the correct announcement;
- Serve as a designated contact for their unit for parade monitors along the route;
- Direct their units to designated breakdown areas (volunteers assist you in this area).

A designated wheel walker/parade liaison must **attend one of the Safety & Décor Workshops** for specific training. Parade liaisons will be issued, upon check-in, an armband or other identification item to be worn during the parade so that they are easily identified by Parade Monitors along the route. DESIGNING YOUR PARADE ENTRY

Sometimes it feels like all we can do to get ready for Pride is to rent a convertible or a truck and get a few people together to march. Well, even if that is all your budget can handle, there are many things you can do to dress up what your parade entry looks like as it showcases you or your agency along Santa Monica Boulevard. Just think what you could do to dress up your entry...

- Wouldn't it be fun to have a horse drawn carriage to glide you down the parade route? They are about the cost of three convertibles for the weekend.
- How about a decorated flatbed truck? The cost is close to renting two or three convertibles.
- And if you do have a convertible, why not decorate it in a fun way? Isn't amazing what we can do with a little cardboard, spray paint, balloons, and colored tissue paper...?

The organizations below are resources for your use in exploring ways to create your parade entry, but are not necessarily endorsed by CSW.
